Subject: Request to Cancel FAA Financial Order 1380.40C

---

I hereby request cancellation of FAA Order 1380.40C, "Airway Facilities Sector Level Staffing Standard System" (December 21, 1992).

The system referenced in the order is no longer used or available. The last version of the system was retired in 2013 and a replacement system is not available. The Office of Labor Analysis carefully reviewed the order and determined the need and purpose of FAA order 1380.40C no longer exists.
